

Who We Are:

Toys 4 Kids Las Vegas is a non-profit organization organized by a group of seniors and veterans in Las Vegas, NV. Our dedicated senior and veteran toy makers hand craft wooden toys from various raw woods into beautiful and safe wooden toys from different templates. No two toys are alike. 35,000 toys are produced annually.

Our Objective:

Toys 4 Kids Las Vegas' objectives are to serve children in the community and to have a place for volunteers for fellowship and camaraderie. We also support and inspire many community organizations around Nevada.
